visuals concept.

Fenner's live shows come equipped with branded visuals. The concept combines future technology and music to achieve something superhuman.

The story goes... when humans become *Super Humans*!

Fenner is world-renowned for his **pioneering use of technology in music**. His latest innovation is a **new generation of Neuro-Technology chip** that gives him the **superpower** he has always dreamt of..

To **generate ultimate happiness in his followers** through his **unique brand of supercharged music**.

rave:reviews.

“Fenner is a true genius behind the decks and his ability to hype the crowd is a joy to watch.”

Alex Kidd

“Great fun working on music with Fenner and Kryoman.”

DJ Soda

“Sunburn Festival with Fenner was so amazing! Thanks for making my mix sets.”

Emma Hewitt

“Fenner and I have been in the studio and we are working on a new club banger!”

Cally & Juice

“Love Fenner & Quazzer’s new remix of our track ‘It’s Summertime’.”

Skye Edwards of Morcheeba

“This tune is big!! Excited to put it onto my UKF Dubstep channel.”

*Luke Hood
- UKF Dubstep Forum*

“Fenner loves it. Did a bangin job on our track too.”

*Cheech & Panga
- TuneSquad*
